

# QuizTime

QuizTime has been designed to facilitate quiz questions as the content of the course rather than requiring in-depth learning followed by quizzing. Finally, a way to earn your CMEs without hours of studying!

**Spaced Learning** is an effective way to learn and retain information. QuizTime will send one question per **weekday** on a clinical scenario that should be familiar to you.

**Effective, Convenient, Fast.** Since QuizTime delivers quiz materials to you when you want, you no longer need to attend instructor-led courses or take tedious, online classes.
